IT'S A SIPPY CUP

It's a sippy, sippy cup
You're drinking up!
Drink it all day long.
It's a sippy, sippy cup
You're drinnking up!
Drink until it's gone.

Apples and bananas

THE JUICE CUP

Juice, juice, drink some juice
In my sippy cup
Apple juice is good for me
I love drinking juice

READ A BOOK SONG

Grab a book, grab a book,
Grab a book, grab a book today.
Take a look in the book,
take a look in the book I say.
Read a book, read a book,
read a book, read a book okay.
And you'll find that your time
will simply slip away.
