THE JUICE CUP

Juice, juice, drink some juice
In my sippy cup
Apple juice is good for me
I love drinking juice

READ A BOOK SONG

Grab a book, grab a book,
grab a book, grab a book today.
Take a look, in the book,
take a look in the book I say.
Read a book, read a book,
read a book, read a book okay.
And you'll find that your time
will simply slip away.

IF I WAS A BIRD

If I was a bird I would sing a song
And fly around the all day long
(twice)
And then at night I go to rest up
in my cozy little nest (twice)
