## Song / Extra Activities

### GAME:

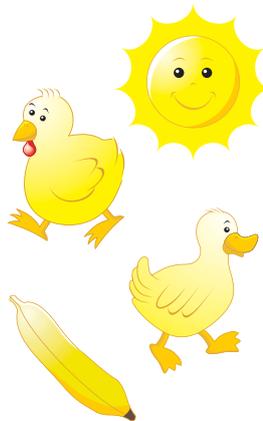

MAKE A GUESS: Put all concrete material in the mystery bag asking the students to say the names. Ask a student to sit in front of you. You have to close his/her eyes and get a concrete material to put on his/her hands. Then you say: «Make a guess» and the student with his/her eyes closed and touching the object has to identify and say the name. Each student has to have a turn.
